

ACCREDITED CHILD PROTECTION

CHCPRT001: Identify and Respond to Young People at Risk

This course will assist Educators working in OOSH services to gain the skills to identify and respond to children at risk.

PARTICIPANTS WILL:

- Learn current laws for Child Protection in NSW and your legal obligations as a mandatory reporter
- Implement practices that aim to protect children and prevent risk of harm
- Complete an MRG and understand their role as Mandatory Reporters
- Explore case studies and examples relevant to the OOSH service context

Learner's comment:

"The trainer was great, precise knowledge and application and absolute wealth of knowledge."

NATIONALLY RECOGNISED
TRAINING

National RTO ID: 90537

Participants are required to successfully complete the assessment task within four (4) weeks to receive a Statement of Attainment.

This is Accredited training and requires a USI to enrol.
