Complaints and Appeals Policy

Policy Statement

Network of Community Activities (Network) is committed to providing learners, third parties, staff and other students the best possible environment in which to study and learn. Network understands that on occasion, there may be instances of dissatisfaction and acknowledges that the cause(s) must be addressed and rectified promptly.

In such instances, Network invites feedback from the dissatisfied party so that a resolution can be found and also, as an opportunity to incorporate the feedback into a review and improvement of the Network RTO's policies and practices.

Network will address any and all complaints in a fair, constructive and timely manner. The complainant has the right for their complaint to be heard and for an impartial decision to be made at no cost to them. Complainants have the right to appeal a decision.

This policy and associated procedure supports Network to provide a process for complaints and appeals to be heard and actioned. All complaints and appeals received by Network will be viewed as an opportunity for improvement.

Network's complaints policy and appeals policy:

- a. ensures the principles of natural justice and procedural fairness are adopted at every stage of the complaint and appeal process
- b. is publicly available on our website
- c. sets out the procedure for making a complaint or requesting an appeal
- d. ensures complaints and requests for an appeal are acknowledged in writing and finalised as soon as practicable
- e. provides for review by an appropriate party independent of the RTO and the complainant or appellant, at the request of the individual making the complaint or appeal, if the processes fail to resolve the complaint or appeal.

Scope

Network has established this policy in accordance with the Australian Skills Quality Authority (**ASQA**) *Standards for NVR Registered Training Organisations (RTO) 2015*. The policy has been developed and implemented by Network to support and provide clear instruction and guidance to learners, staff, third parties and the organisation on the handling of complaints and appeals.
