Subject: Extension of Licence Agreement until 30 June 2023

Dear Provider,

We are pleased to be able to offer a six-month extension to the timeframe for services who wish to transition to Parent & Citizens (P&C) Association ownership and control.

OSHC providers who no longer qualify as a Category A provider may consider working with the school's P&C Association to move the OSHC service to be operated under the P&C Association before the expiry of their current licence.

Existing OSHC licences for these providers that expire before 31 December 2022 may now be extended to 30 June 2023 to enable this change.

Category A providers are now limited to Parents & Citizens Associations incorporated under the Parents and Citizens Associations Incorporation Act 1976. Once your service has transitioned, a new 8-year licence can be executed, securing the ongoing future of the service.

Please be advised that Category B (Not for Profit) and C (For Profit) providers must go to tender on the expiry of their current licence. This ensures a fair and transparent process as part of the continued process to improve the availability of quality OSHC services on NSW Government school sites. Should you prefer to not join the P&C, your service will be put to tender at the end of your Licence Agreement.

An information session will be held in the coming weeks to provide guidance on how OSHC providers can transition their service to P&C ownership and control.

Should you have any questions in the interim, please contact the department by email at
BASCreform@det.nsw.edu.au

Regards,
Claire Beattie
