30 JULY 2025

We wish to inform you that Wednesday, July 30th, 2025, is **OSHC Educators Day**. Please mark this important date in your school calendar.

This day is an opportunity to recognise and show appreciation for the invaluable contribution of Out of School Hours (OSHC) Care Educators. These dedicated professionals support students before and after school, during Vacation Care, and across both school and community settings. Their role is essential in fostering a safe, engaging, and supportive environment for children outside of regular school hours.

We encourage you to celebrate and acknowledge the efforts of OSHC Educators within your school community.
